**Phillip's mother:** Hey, Phillip. Can you open the door, please? There is a guest at the door.

**Phillip** : OK, mum.

Phillip opens the door and he sees Mehmet. Mehmet wears a blue costume and he has a blue mask on his face.

**Phillip** : Welcome, The Diver Man.

**Mehmet** : Thanks, Phillip.

What colour is Mehmet's mask?

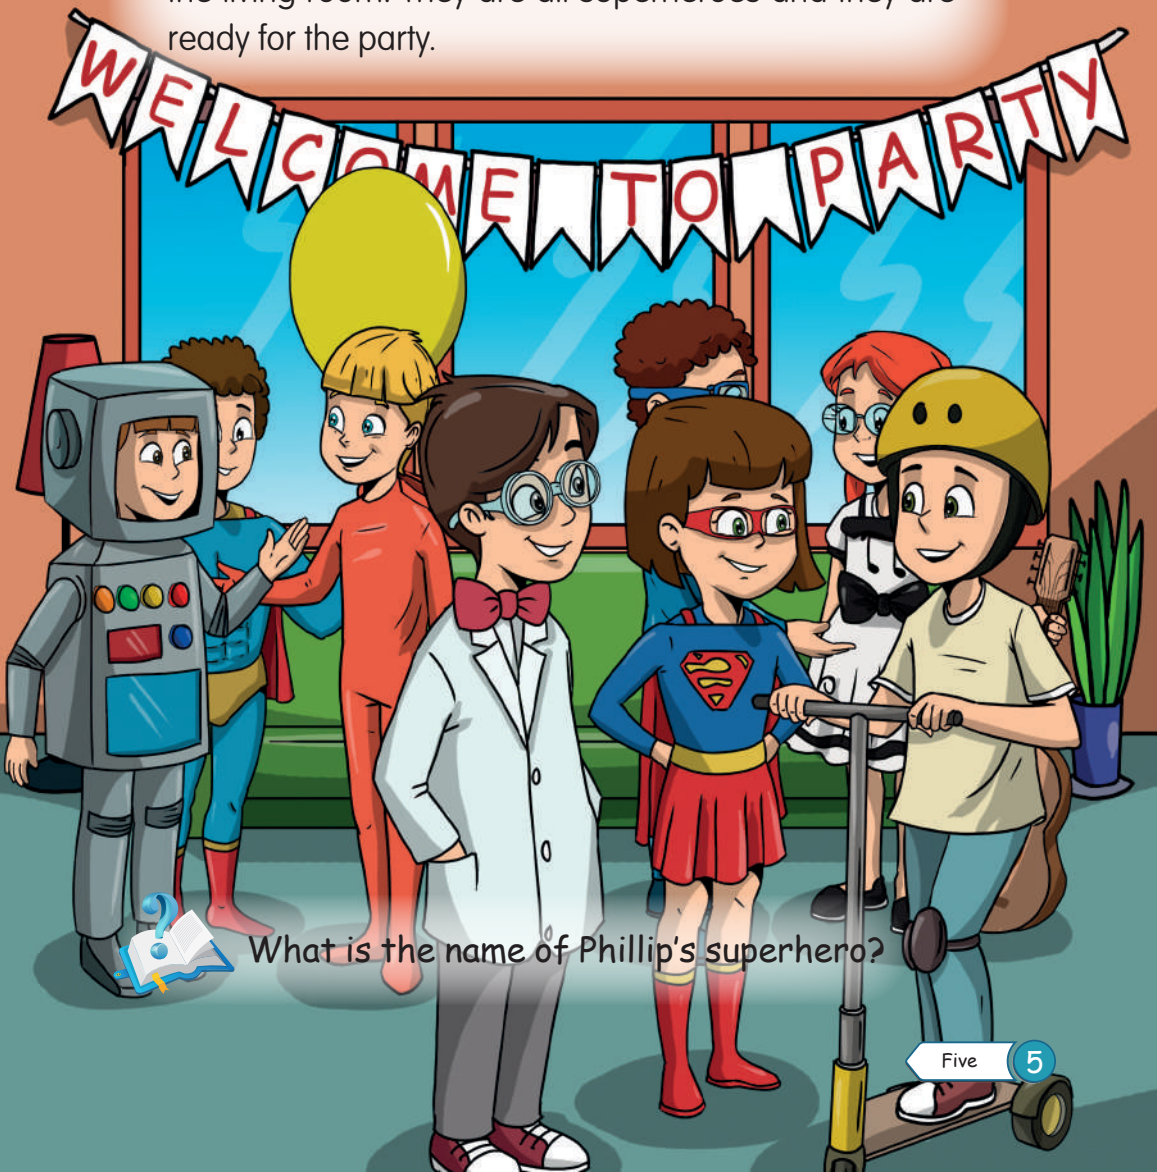

Phillip : Can you see me?

Mehmet : Yes, I can.

Phillip : You can't see me. Because I'm The Invisible Man.

Mehmet : Oh, really? OK, then. I remember it now. Where are you, Phillip? I can't see you.

They laugh and enter the house. Other guests are in the living room. They are all superheroes and they are ready for the party.

What is the name of Phillip's superhero?

Zeynep : Who are you?

Mert : I am The Incredible Rider.

Zeynep : What can you do?

Mert : I can ride a bike and a scooter.

Zeynep : Can you ride a horse?

Mert : No, I can't.

Chris : Can you ride a motorbike?

Mert : No, I can't.

Chris : Whose scooter is this?

Mert : It's my scooter.

What can The Incredible Rider do?

Harun : Who are you?

Aylin : I am The Flying Girl.

Harun : Wow! What can you do?

Aylin : I can fly. I can jump high and move fast.

Chris : Can you change your shape?

Aylin : Yes, I can.

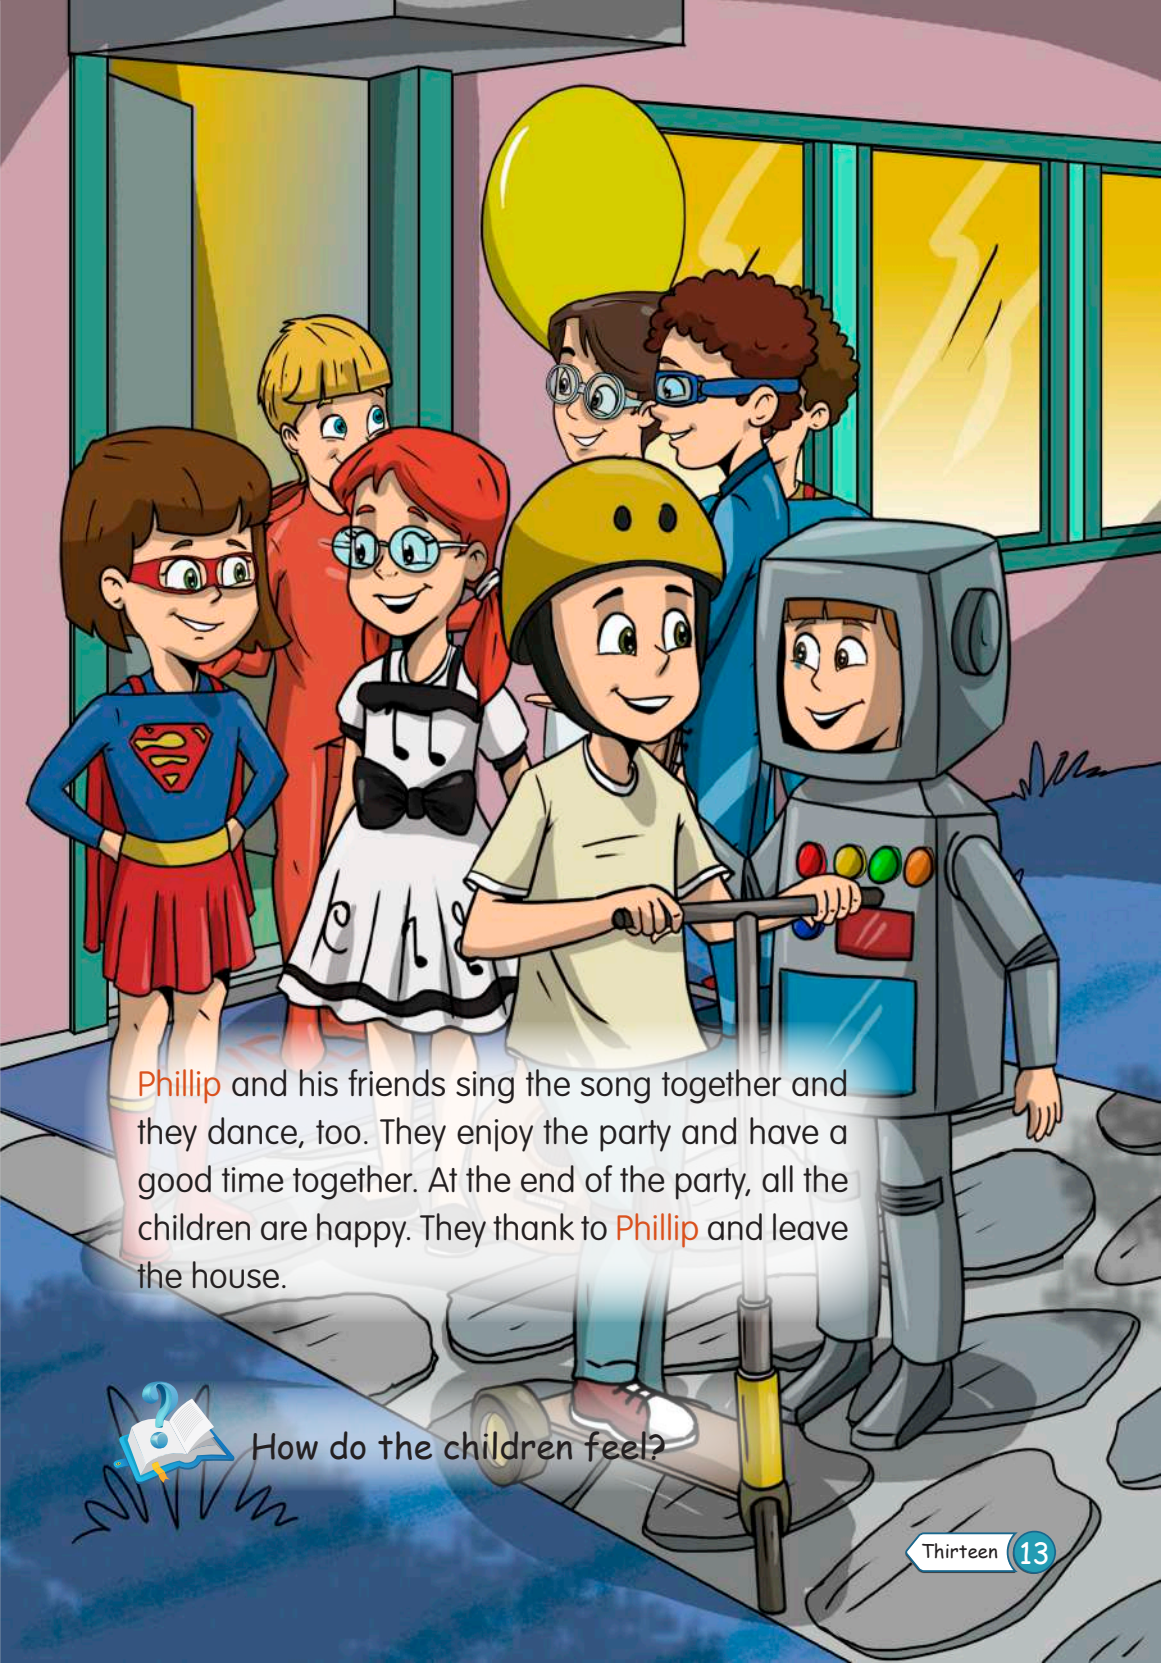

Chris : Can you dive?

Aylin : No, I can't. I can't swim.

What can't Aylin do?

Phillip and his friends sing the song together and they dance, too. They enjoy the party and have a good time together. At the end of the party, all the children are happy. They thank to Phillip and leave the house.

How do the children feel?
