Alex is a student. He is in the living room with his father and mother now. There is a documentary on TV about animals. They watch the documentary together.

Where is Alex?

Alex : Do you like animals, dad?

Father : Yes, I do.

Alex : What about you, mum?

Mother: Me too. Do you like animals, Alex?

Alex : Yes, of course. Look at the TV. There is a lion.

What is this?

Alex : It is my favorite animal. It is strong and fast.
It can run.

Mother: Can it climb?

Alex : Yes, it can. It can climb trees. It is the king of
the forest. I like lions.

Can a lion run fast?

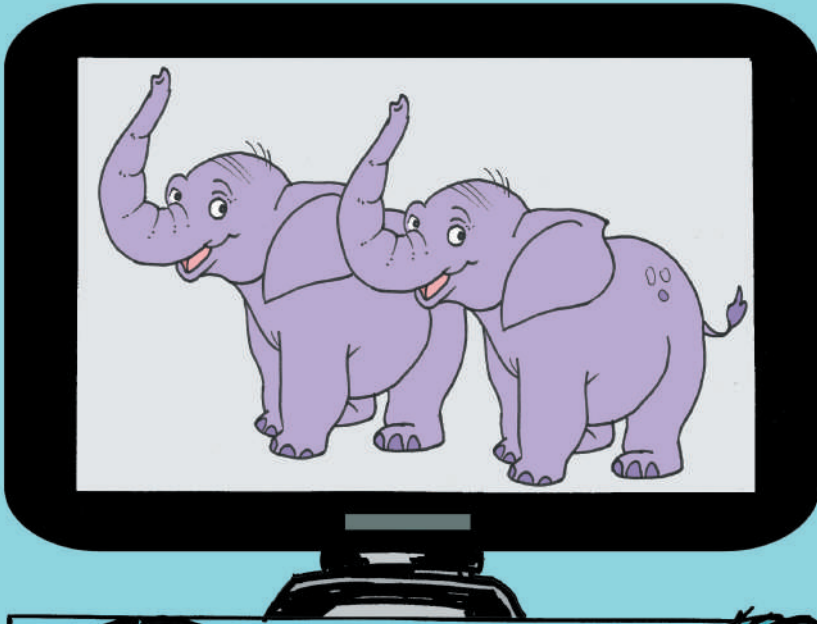

Father : There are two big elephants on TV now.

Alex : What colour are the elephants?

Father : They are grey.

Alex : Can they run, dad?

Father : No, they can't. They can walk.

What colour is the elephant?

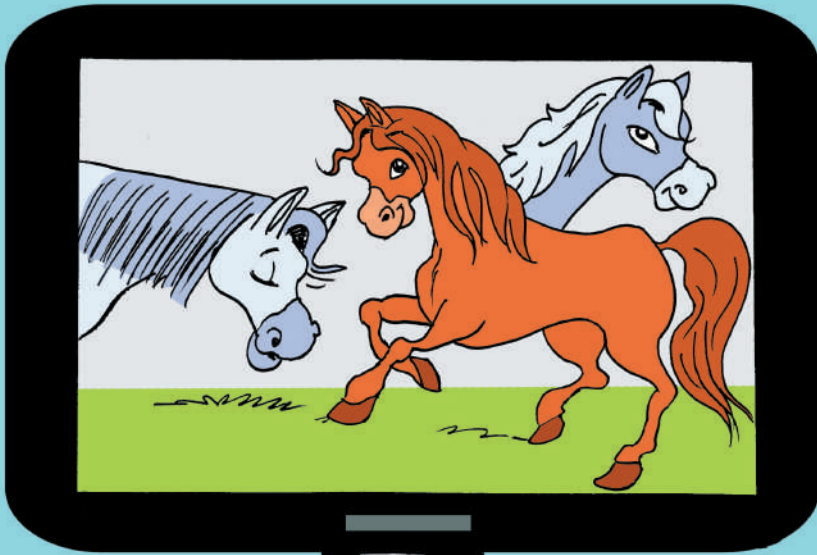

Alex : What is your favorite animal, mum?

Mother: I like horses. They are fast.

Alex : Can they run?

Mother: Yes, they can. There are six horses on your grandfather's farm. I can ride a horse.

Alex : Really? That's great.

How many horses are there on the farm?

Father : Do you like all the animals, Alex?

Alex : No, I don't. For example, I don't like snakes.
They are dangerous.

Father : That's true.

Alex : I dislike spiders, too. They are black and
small. I'm afraid of spiders.

Which animals are black?

Alex : Do you like monkeys, mum?

Mother: Yes, I do. They are funny. They can climb trees and jump.

Alex : Can they fly?

Mother: No, they can't.

Alex : What do they eat?

Mother: They like bananas.

What do monkeys like?

Alex : Are there a lot of animals on my grandfather's farm, dad?

Father: Yes, there are.

Alex : What animals are there on the farm?

Father : There are dogs, cats, cows, donkeys, horses, ducks, chickens, goats and sheep.

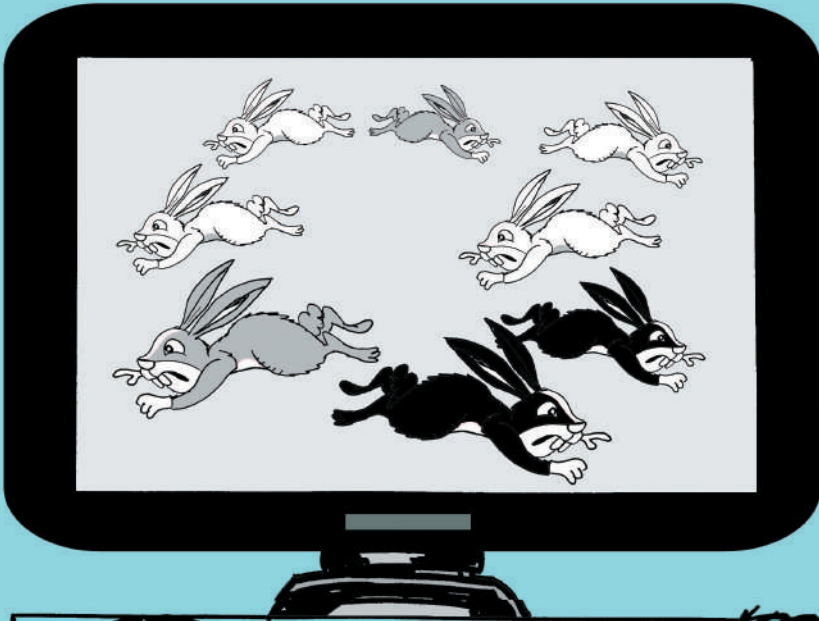

Are there donkeys on the farm?

Alex : Are there rabbits on the farm?

Mother : Yes, there are.

Alex : How many rabbits are there? What colour are they?

Mother : There are four white, two black and two grey rabbits.

How many white rabbits are there on the farm?

Father : Do you like fish, Alex?

Alex : Yes, I do. A fish can swim.

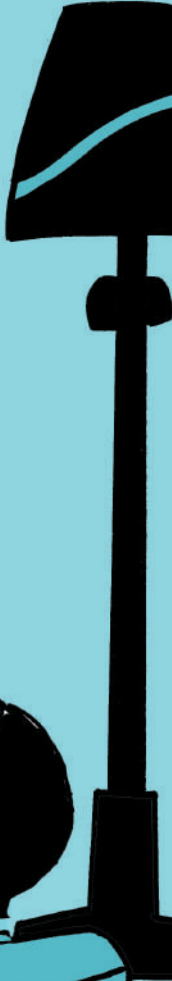

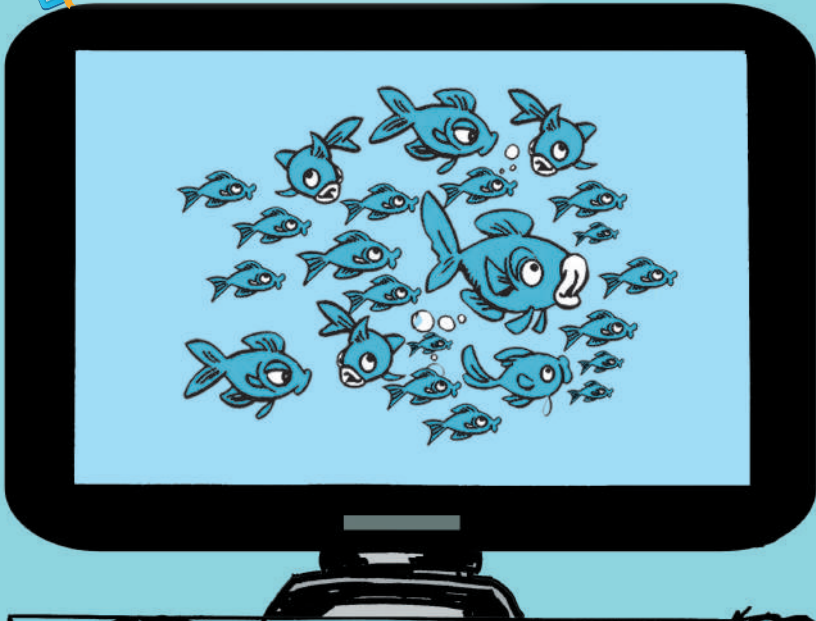

Father : Can it walk?

Alex : No, it can't. They haven't got legs.

Father : You're right.

Can a fish walk?

Alex : Can we go to my grandfather's farm, mum?

Mother : Yes, we can.

Father : Good idea.

Mother : We can see all the animals there.

Alex : That's great! Let's go then!

Father : OK! Let's go.

Do you like animals?
